PROJECT 'ABLE'

Academic Bridges to Learning Effectiveness

The ultimate college preparation experience for entering freshmen who want to make a smooth transition and succeed at Central Christian College

August 19-21, 2014

*Central Christian College
of Kansas*

**"Your Road to Success
Starts Here."**

PROJECT "ABLE"

Academic Bridges to Learning Effectiveness

Project "ABLE" is an intensive 3-day bridge camp making the transition from high school to college a little less stressful. The program is designed to prepare each participant for the challenges of the college experience.

The goal of the camp is to give new students and entering freshmen an opportunity to orient to the college and learn important college success strategies necessary to meet the demands of college.

The camp is scheduled the week of orientation and registration. This gives new students an introduction to the college entry process and an opportunity to learn about the help available to them prior to the beginning of the school.

SUCCESS WORKSHOPS

- * College: How It Works
