

TRANSFER CREDIT POLICIES

TRANSFER CREDIT

The amount of credit, the courses to be accepted, and the method of evaluation will be determined on an individual basis by the nature of the courses, the type of institution, and the type of program in which the student is enrolled.

Only credits from regionally accredited or articulated colleges are eligible for transfer. Therefore, a student may be admitted on credits that are not eligible for transfer, unless otherwise noted in this section.

GENERAL GUIDELINES AND STIPULATIONS

- Students must submit *official* documentation of all appropriate coursework (e.g.: College Transcript⁵, Exam Transcript, etc.).
- Transfer students need to complete 30 of the last 60 credits through Central Christian College of Kansas, regardless of major-related requirements.⁶
- Students transferring from two-year institutions may only transfer up to 64 credits from those two-year institutions.
- Students may transfer a maximum of 90 credits into Central Christian College of Kansas⁷.
 - 30 of these credits may be *test-out* credit, including Advanced Placement, IB, and CLEP.
 - 30 of these credits may be satisfied through JST Military Credits.
 - 30 of these credits may be satisfied through Credits for Prior Learning.
- Each program may have additional credit requirements specific to the program. Typically, this will require the student to complete at least 40 credits, regardless of the number transfer credits allowed.
- Student copies or unofficial transcripts (including all faxed copies, regardless of origin) cannot be used for official audits.
- Veterans must submit a transcript of Military Studies (ACE Transcript, Community College of the Air Force).
- Current students are advised to consult the Registrar prior to taking courses with the intent to

transfer credits back to Central Christian College of Kansas. While credits may transfer as electives if they meet the requirements outlined in this section, the College does not guarantee that transfer credits will count toward specific program requirements unless the substitute has been pre-approved in writing by the appropriate Department Chair and Registrar.

Students transferring into the College will be required to meet all General Education requirements as stipulated in this Catalog. Block transfers, from accredited or articulated colleges (Associate of Arts degrees) may waive some requirements.

Grades

Only courses awarded with a C- or above will be assessed for transfer credit. Courses awarded a P (pass) or S (satisfactory) can also be assessed for transfer credit. Courses with grades below a C- are not eligible for transfer credit. Audit (AU) courses are also not eligible for transfer credit, but can be considered by departments in association with pre-requisites or participation requirements.

There are three cases in which the proceeding ruling can be overturned:

- If the student is transferring in with a completed Associate of Arts Degree or an Associate of Fine Arts degree, grades of D-/++ may transfer if the grade was awarded prior to the completion of the degree.⁸
- Grades of D-/++ awarded as part of a sequence of courses (those requiring the course as a pre-requisite) will be assessed for transfer, if the subsequent course was passed with a C- or above.
- Grades of D-/++ associated with lab courses, earning separate grades for the lecture section and the lab, will be assessed if the grade was awarded in association with the lab portion of the course and the combined grade point average for the lab and the lecture section is above a 1.7.

⁵ Official college transcript: Mailed in a sealed envelope from the institution; Delivered by the student in a sealed envelope from the transcribing institution; electronically delivered from Parachment, Scrip-Safe, National Student Clearinghouse, or JST.

⁶ Students may transfer a maximum of 45 credits towards an Associate of Arts or Associate of General Studies Degree. 15 of the last 30 hours of an AA or AGS must be completed at Central Christian College of Kansas.

⁷ Specific programs may limit the amount of hours that are applied to the transcript.

⁸ Students transferring credits related to a completed Associate in General Studies may receive special consideration for General Education courses that have a D-/++.

Prior to Fall 2014, grade point averages transferred for students entering SAS programs, but not for students entering SPE programs. Beginning in the 2014-15 academic year, grade point averages do not transfer for any students enrolling at the College.

Hour Conversion

Credits transferred from institutions using quarter credits will require that the Registrar calculate the number of credits to be transferred. If credit is awarded, the Registrar will multiply the quarter credits by .67 (from the awarding school) to figure the number of semester credits accepted by Central Christian College of Kansas.

Credit Evaluations and Adjustments

It is the role of the Registrar to assess the transferability of courses, which may require that the student provide syllabi to demonstrate the learning outcomes associated with courses in question. The College reserves the right to accept credits associated with a course, while at the same time recognizing that the course does not meet the requirements needed for graduation.

Decisions concerning the awarding of transfer credits can be appealed through the Registrar. Appeals should be submitted in writing with applicable evidences attached (i.e. Catalog, syllabi, etc.). The appeal should clearly articulate the change requested.

Dual Credit

Central Christian College of Kansas is committed to accepting college credits earned from accredited colleges while a student is in high school. Students who have taken dual credit courses while in high school should make sure to have an official transcript sent from the college or university that issued the credits. Credit will not be transferred from high school transcripts.

TYPES OF TRANSFERABLE CREDIT

CATEGORY ONE – REGIONALLY ACCREDITED INSTITUTIONS

Category One transfer credits include credits earned at regionally accredited institutions of higher learning. Central Christian College of Kansas recognizes the following regional accrediting agencies:

- Middle States Association of College and Schools
- New England Association of Schools and Colleges
- North Central Association Higher Learning Commission

- Northwest Commission on Colleges and Universities
- Southern Association of Colleges and Schools
- Western Association of Colleges and Schools

Stipulations related to Category One transfer credits:

- Official transcripts (not copies) must be forwarded to the Registrar's office
- Grades of "C-" or better; "Pass", or "Satisfactory" will be considered for transfer, but will not affect GPA.
- Professional Development (PD) and Continuing Education Units (CEU) are not eligible for transfer consideration.
- Remedial courses (those with course designations beginning with "O") are not eligible for transfer under any circumstance.
- Transfer credits that are applied to the major must match the level articulated in the major. Transfer classes that match upper level major requirements, but are not upper level, will not be applied to the major unless approved by the appropriate Department Chair.
- Credits awarded on the transcript from a standardized test will not be accepted. Official documentation from the standardized test organization must be submitted for Category Four assessment.⁹
- Credits awarded on the transcript for prior learning will not be recognized. Official documentation (portfolio) will need to be submitted in accordance with Category Six assessment.

CATEGORY TWO – NON-REGIONALLY ACCREDITED INSTITUTIONS

Coursework completed at a post-secondary institution which does not have regional accreditation can be considered on a case-by-case basis if the institution has the recognition of an accrediting agency and is recognized as Title IV eligible (as articulated by the Department of Education:

http://www2.ed.gov/admins/finaid/accred/accreditation_pg9.html).

Accreditation status of an institution can be verified by visiting: <https://www.ed.gov/accreditation?src=accred>

⁹ AP and CLEP scores recorded on the transcript after 7/1/2017 from a Kansas state college (KBOR) will be accepted for transfer without additional documentation (i.e. needing to send a transcript of the scores directly)

Verification of accreditation does not assure acceptance of credits. Accreditation simply allows the Registrar to review the transcript. Individual courses will be reviewed and awarded credit based on comparability of subject matter, learning objectives, timeliness of enrollment (within 10 yrs.), and applicability of the course to the degree program.

- All Stipulations for Category One Plus:
- The school must have a Federal Identification Code.
- The school must be recognized by the Department of Education as Title IV eligible.
- A copy of the syllabi for each course may be required for evaluation.

CATEGORY THREE – ARTICULATION AGREEMENTS

Special arrangements are occasionally developed between educational institutions and Central Christian College of Kansas. These agreements will stipulate the guidelines by which credits will be awarded.

Regionally Accredited Community Colleges/Block Transfer

Students graduating with an Associate of Arts or Associate of Fine Arts from a regionally accredited college or Community College will be considered as having completed all General Education requirements (excluding those required by the degree). Students will still need to complete the minimum Christian Worldview requirements and any other general education requirement which must be fulfilled at Central Christian College of Kansas. *Students graduating with an Associate of General Studies, Associate of Science, or Associate of Applied Science degree will be assessed using Category One. Students will receive transfer credit; though will still be required to complete deficient General Education requirements, unless otherwise specified by the articulation agreement.*

The College also maintains articulation agreements with the institutions listed below. Specific information concerning the articulation agreements can be requested through the Registrar.

- Hallmark University

These articulation agreements are valid as stipulated by the articulation agreement on file in the Academic Office. Only courses articulated in the agreement will be considered for transfer. Unless otherwise noted, only grades of C- or better are eligible for transfer. *Students receiving credit through an articulation agreement will still be required to complete deficient General Education and Worldview requirements, unless otherwise specified by the agreement.*

Academeum/College Consortium

While attending Central Christian College of Kansas, students are invited to register for courses through the College Consortium. For those schools with which Central has a consortial agreement, courses will be recorded on the Central transcript. For those schools with which there is no consortial agreement, the student will need to order a transcript from the teaching institution and have it sent to Central to transfer the grade. The course will be listed on the transcript as a transfer course and count in the semester's load, but no grade can be recorded until the transcript with the final grade is received.

Reverse Transfer Agreement

As part of the Kansas Independent College Association, Central Christian College of Kansas offers the opportunity for students to participate in a Reverse Transfer Agreement with Kansas community colleges.

In order to qualify for a reverse transfer, the student must meet these conditions:

1. Have previously attended or are currently enrolled at a Kansas community college
2. Meet all community college resident credit requirements
3. Have been granted transfer credit at Central Christian College of Kansas of a minimum of 45 credit hours for coursework completed at a Kansas community college (or a combination of 45 accumulated hours from other accredited institutions and the community college)

If a student meets all of the above conditions, the Registrar's Office will notify the student and the community college of their eligibility (in cases of more than one previous institution, only the last community college of record before entering Central Christian College will be notified)

Process:

The Registrar's Office will notify any eligible student of their eligibility within their first semester of attendance. Students have the opportunity to opt-in to the agreement for the current year by completing the Reverse Transfer Agreement form. In order to maintain compliance with any changes to FERPA, the agreement is only valid for the first academic year. A student may choose to renew their participation in the reverse transfer agreement with the Registrar's Office each academic year.

The Registrar's Office will remain in communication with the participating community college. The Registrar's Office will notify the participating student once the credits necessary to complete the associate's degree at the community college have been completed. The student will

be charged for their official transcript (see Academics section of Catalog) to be sent. Transcripts for reverse transfers will be sent once a year within 30 days of the conclusion of the academic year.

Students wishing to be re-evaluated based on the associate degree earned as a result of the reverse transfer agreement must submit an official copy of the transcript from the degree-granting institution and will be subject to all transfer policies as stated in the Transfer section of the Catalog.

CATEGORY FOUR – STANDARDIZED EXAMS

Credits earned through standardized exams may be included in the total number of accepted transfer credits.

Original documentation must be on file at Central Christian College of Kansas in order for credits to be assessed.

Charts delineate specific course equivalencies. Exams not listed in the charts may still transfer for elective credit on a case-by-case basis.

The following are accepted organizations for standardized examinations:

Advanced Placement (AP)

College Code: 6088

Central Christian College of Kansas awards college credits to high school students that completed Advanced Placement program (College Examination Board) Exams. Advanced Placement Exams are administered primarily in high schools. They are usually culminating exams for high school students enrolled in honors courses.

<https://apstudent.collegeboard.org/home?navid=clep-aps>

AP Exam scores must be received to award credit. Credits will not be awarded for AP courses from the high school transcript.
