

# Policy Proposal for Post Season Play Drug Testing

Post Season Play – In addition to the requirements already outlined in the handbook under Post Season Play, all teams participating in post-season play are required to have a drug test at least 2-weeks prior (when applicable) prior to leaving.

Committee Minutes from 10.25.2022

(only portion pertaining to the drug policy has been shared)

b. Cathy – Post Season Play – Create an addition to the policy for post season play drug testing.

- Include in the policy – 2 weeks prior to post season play, a hair follicle test.
