

RA Compensation Approval

Single room; but no guarantee (current RAs will be grandfathered at 100% since that is what they currently have)

85% room for yr 1 RA

90% room for yr 2 RA

100% room for yr 3 RA

Recommendation to do what Tabor College does – If the school balance is \$0, then they can receive a check/cash (above their balance, such as a stipend).

SGA Compensation Approval

50% room with a roommate - For SGA members who live off campus, we need to have a line which states the student would receive funds instead of the room, which is not needed.
