Central Christian College of Kansas

COLLEGE COUNCIL

Date: 6/6/2023

Title of the Policy/Action: Post Season Drug Testing Policy

Department Making Request: Student Affairs/All Athletics

Proposal: If a student tests positive for a substance, they will not be allowed to participate in post-season play. Teams are allowed to attend and participate in post-season play as long as participating members have met the expectations of the college, the coach, and the Student Affairs Committee. Individuals may be illuminated from post-season play while the team is allowed to proceed.

Reasoning: This matter is needing approval from the College Council and will enhance the mission of the college by ensuring that all students representing the institution will do so with the highest character.
