

COLLEGE COUNCIL RECORD OF ACTION

OFFICE OF THE PRESIDENT

CENTRAL CHRISTIAN COLLEGE OF KANSAS

October 2023

Assessment Calendar Adjustment

On October 11, 2023, the College Council took action to affirm modifications in the assessment calendar, which currently aligns with the CCCU CAP. This will postpone the use of NSSE allowing us to use budget resources to participate in the SSI & PSOL (satisfaction surveys for on-ground and online students respectively). We will look to realign during the next NSSE cycle with CAP.

The President *affirms* this action.

Respectfully,
