

COLLEGE COUNCIL RECORD OF ACTION

OFFICE OF THE PRESIDENT

CENTRAL CHRISTIAN COLLEGE OF KANSAS

October 2023

Post Season Play Drug Testing Policy

On October 11, 2023, the College Council took action to approve the proposed Post Season Drug Testing Policy amendments, brought forward from the All Athletics Council and Student Affairs Council.

The President *affirms* this action.

However, in instituting the additions, there was significant redundancy in the additions to 4.4.3. I believe that what was added represents the intent of the addition, as approved by the Council. A review may be appropriate just to ensure alignment. The other sections were added, though perhaps not to 4.4.1 or 4.4.2. as those sections were not addressing post-season play. However, all additions were added to the appropriate section within 4.4. Again, a review may be appropriate and any modifications brought to my attention.

Respectfully,
