

COLLEGE COUNCIL: RECORD OF PRESIDENTIAL ACTION

OFFICE OF THE PRESIDENT

CENTRAL CHRISTIAN COLLEGE OF KANSAS

April 2024

Men's Volleyball Recommendation

On March 13, 2024, the College Council took action to move forward with men's volleyball by hiring a Men's Volleyball Coach, subject to meeting a mid-April hire date or the program would be dropped.

After having discussed the issue with the Leadership Team, I *affirm* this decision and have charged the Athletic Director to launch a search process, with the goal of having a recommendation for hire no later than mid to late April. Otherwise, the program would be dropped.

Respectfully,
